EXPERIENCE

NIFT Kannur

One Way Vision Project 2025 - Head Illustrator *Sept 2025 | On-site*

- Led a team of three illustrators in developing large-scale artwork for the campus gate entrance glass panels.
- Generated three distinct concepts, each tailored to its individual pane while sustaining a unified aesthetic language across the full installation.
- Executed and refined all artwork in Procreate, ensuring precision, consistency, and print-ready digital output.

Floor Interior Redesign - Design Team Head *Dec 2024 | On-site*

- Directed the end-to-end transformation of an entire department floor, covering the lobby, corridor, and eight individual rooms.
- Coordinated a cross-functional team of 25 members, managing task allocation, workflow sequencing, and timely delivery.
- Established the overarching design framework to maintain spatial consistency, functionality, and a cohesive aesthetic across all zones.

Spectrum - Promotional Video Director *March 2025 | On-site*

- Conceptualized and produced the promotional campaign video for Spectrum, NIFT's flagship annual event.
- Structured the creative arc through shot planning, composition design, and detailed storyboarding to keep every frame aligned with the event's brand identity.
- Managed the full production pipeline, from on-location filming through editing and post-production delivery.

PROJECTS

Suthanthara Paravaikal - CRD Documentation *Jun 2025 | On-site*

- Authored and illustrated Suthanthara Paravaikal, a coffee table book preserving the heritage of the Eravathody weaving community.
- Conducted field research across weaver settlements, capturing first hand accounts through interviews and video documentation.
- Assembled the complete publication in Procreate and Adobe InDesign to merge immersive illustration with refined editorial layout.

3D VHS/DVD Video Rental Experience Store *Nov 2025*

- Built a fully realized 3D retail store concept for a DVD and VHS rental experience using Autodesk Fusion 360.
- Designed the floor plan around dedicated display racks and a private screening room, prioritizing visitor flow and spatial engagement.
- Modeled the building envelope in the form of a VHS cassette, drawing architectural inspiration from the Blockbuster video store.

The Drip Codex - Gen Z Fashion Glossary *Apr 2025*

- Researched and compiled a comprehensive illustrated glossary mapping Gen Z clothing culture, accessories, and emerging style trends.
- Integrated original illustrations with editorial layout to produce an engaging, visually unified reference publication

AD Filmmaking - PUMA Footwear Campaign Recreation *Dec 2025*

- Led a four-member team in recreating a Puma footwear advertisement from pre-production planning through final cut.
- Developed the script and shot-by-shot breakdown to establish a clear creative roadmap and ensure tonal consistency across all stages.
- Performed a thorough Puma brand analysis to align messaging, visual style, and overall tone with the label's established identity.
